

**Perkins Preschool**  
6550 Ravenna Avenue N.E.  
Seattle, WA 98115

### History of Perkins School

Perkins School began in 1946 and was originally called

Perkins Musical Kindergarten. The school was founded by E. Louise Perkins with Mrs. Betty Lea joining the staff in 1952.

In 1961, Perkins School opened at 6550 Ravenna Ave. N.E.

Upon Mrs. Perkins retirement, in 1965, the school was sold to Mrs. Betty Lea.

When Mrs. Lea retired in 1993, her daughter, Chris Chevalier took over the administration of the preschool which is now currently under the direction of Candi Schneider .

Together they are committed to carry on many of the Perkins traditions and begin a few of their own.

Perkins Preschool does not discriminate against, race, color, national origin, creed, religion, sex, age, sexual orientation, marital status, disability or use of a guide dog or service animal for any handicapping condition.

## About our Program

We are a child centered preschool which respects the development and needs of each child as a unique and gifted individual.

Perkins has a wide variety of hands on learning materials in our classes so that children are able to work at different levels and everyone is successful.

At Perkins, children discover learning is fun!

It has been a Perkins tradition that every child attending begin to learn the French language.

All ages enjoy at least 15 minutes with their class every day.

### 3 year old program

Our 3 year olds are in self contained classrooms where they are free to explore many activities, including art, sensory, music, French and skill building. The teachers are dedicated to providing an environment that facilitates independence and encourages positive socialization with peers.

### 4 -5 year old program

Our teachers have much to offer the children in their area of expertise. All of the 4 and 5 year olds attend Basic Skills, Music and Science classes for 45 minutes, four days a week. They also have French and P.E. for 20 minutes every day.

One day a week each of the 4 and 5 year old groups go to our Lodge Enrichment program.

### Lodge Program

The Lodge program provides an enriching day of Art and Baking. The school has a kiln so the children get to work with clay as well as many other mediums. Baking is a fun hands on activity where the children measure, mix and eat! It is a fun day!!

### Preschool Fives Program

The Preschool Fives (P5) program is geared toward early 5 year olds that are ready for a more challenging and rigorous day. They are in a self contained classroom from 9:00-1:30. Their day includes small groups, academics, writing, calendar time, music and French.

### SUMMER PROGRAM

Our Summer Program is designed to offer quality child care while they are here. We have weekly themes that are geared toward summer fun! They include an activity class, music, art and exercise. All classes work around the Theme for the week. The afternoons are relaxed with sprinklers, water tables and many other engaging activities for your child to enjoy.

### Our Daily schedule is as follows:

7:00-9:00	Childcare for Full time Students
9:00-12:00	Curriculum Classes
9:00-1:30	P-5's
12:00-1:30	Lunch and recess
12:30- 2:30	Nap Time for nappers
1:30-2:30	Rest Time for those not napping
2:30-3:00	Lunch Box and School Snack
3:00-4:30	Activity Centers, Outside. Lodge activities for 4-5's.
4:30-5:00	Story and Snack
5:00-6:00	Activities in rooms

## Pathway to Success

### OUR MISSION STATEMENT

Perkins Preschool is committed to providing a happy and safe environment where children are allowed to grow emotionally, socially and academically.

A genuine love of learning and positive self image is our goal as we guide each child down their own "Pathway to Success"
